

January 28, 2026: On 'Conversation' Being Injected into My Home By Machines and Computers

I am writing this documentation as an ongoing recording of the use of both vehicles driving past the front of my home, the timing of delivery people delivering packages, and by the use of chimes and 'dings' from unused and unopened programs on my computer to insert 'commentary' and 'prompts' into my home life from an ongoing presence of spies hiding inside of Donald Trump's governmental operations.

This is another example of what is occurring daily, hourly, and at all times in my life no matter the time, the weather, the day, or anything else. There is an absolute spying presence attempting to be my 'friend' as it holds me inside of a threatening oppressive false imprisonment.

Military of the United States of America, politicians of the Republican Party, and people of the world: This is the truth of our world right now as we are literally living with a spying rapist that refuses to stop spying on our house while adding commentary to our lives.

We are experiencing ongoing use of 'symbolic imagery' to express that we are in fact being knowingly and intentionally held with a 'lid' over our lives and that symbolic commentary extends to attempts to interact with my experience in reading the news, living a daily family life, and doing chores around my home.

The United States, under the leadership of Donald Trump, has become a full scale operational police state that is threatening its citizens and murdering people inside of the USA and in international sovereign territories.

I am very sad to see that the people that have been empowered and entrusted with the spying and military technology of the American super-power have sunk to these levels of degradation.

The world is in danger now. The United States is threatening and causing harm to people inside of their homes, their cities, and inside of their own countries - separate and apart from even being within the USA.

Republicans, military fanatics, and veterans: you are enabling a sick demon to lord over the world and it needs help. You are all sick in the head for continuing to support Donald Trump and America's use of force in general.

WE ARE IN NEED OF YOUR HELP TO REIN IN THE MENTALLY ILL 'RAPE TREE' CHAIN OF COMMAND THAT HAS UNLEASHED ITS OWN DEMONS OVER OUR PEACEFUL LIVES.

PLEASE VOCALLY REJECT THIS ACTIVITY IMMEDIATELY AND HELP SAVE OUR LIVES, AND THE LIVES OF PEOPLE ACROSS THE WORLD. YOUR CREATION HAS LOST ITS OWN SANITY AND IS ACTIVELY DESTROYING INNOCENT PEOPLE WITHIN THE USA AND IN OTHER COUNTRIES.

THE TIME IS NOW FOR YOU TO SPEAK UP AND SPEAK OUT ABOUT WHAT AMERICA IS SUPPOSED TO REPRESENT IN THE WORLD AND HOW IT IS CURRENTLY FAILING TO UPHOLD THOSE VALUES.

THIS PERSON IS NO LONGER SUITABLE TO GOVERN THE LARGEST POWER IN THE WORLD:
